Sacrificed to Blood Poison.

Those who have never had Blood Poison can not know what a desperate condition it can produce. This terrible disease which the doctors are totally unable to cure, is communicated from one generation to another, inflicting its taint upon countless innocent ones.

Some years ago I was inoculated with poison by a nurse who infected my babe with blood. The little one was unequal to the struggle, and its life was yielded up to the fearful poison. For six long years I suffered untold misery. I was covered with sores and ulcers from head to foot, and no language can express my feelings of despair during those long years. I had the best medical treatment. Several physicians successively treated me, but all to no purpose. The mercury and potash seemed to add fuel to the awful flame which was devouring me. I was advised by friends who had seen wonderful cures made by it, to try Kodol's Specific. We got two bottles, and I felt hope again revive in my breast—hope for health and happiness again. I improved from the start, and a complete and perfect cure was the result. S. S. S. is the only blood remedy which reaches desperate cases.

Of the many blood remedies, S. S. S. is the only one which can reach deep-seated, violent cases. It never fails to cure perfectly and permanently the most desperate cases which are beyond the reach of other remedies.

S.S.S. For Blood

is PURELY VEGETABLE, and is the only blood remedy guaranteed to contain no mercury, potash, or other mineral. Valuable books mailed free by Swift Specific Company, Atlanta, Georgia.

ARIZONA NEWS.

Interesting Items Culled from Our Exchanges.

Tramps are being ordered from Tombstone as fast as they make their appearance. The recent fires in the county seat have aroused the citizens there and the officials also.

DeWitt's Little Early Risers purify the blood, clean the liver, invigorate the system. Famous little pills for constipation and liver troubles. Copper Queen store.

It is related that five and twenty years ago Mark Hanna appeared in court in a small Ohio town as prosecutor of about twenty miners for conspiracy. William McKinley, Jr., appeared for the defendants. They have got together since then.

Mrs. E. Churchill, Berlin, Vt., says: "Our baby was covered with running sores. DeWitt's Witch Hazel Salve cured her." A specific for piles and skin diseases. Beware of worthless counterfeits. Copper Queen store.

The Jerome mining district is at present being all shot to—well, there will not be much claim-jumping done this New Year's night. Claim-holders remembering past experience are this year covering the requirements of the law, and the work is generally work that can be classed as development.—Jerome News.

J. B. Clark, Peoria, Ill., says: "Surgene wanted to operate on me for piles, but I cured them with DeWitt's Witch Hazel Salve." It is infallible for piles and skin diseases. Beware of counterfeits. Copper Queen store.

A petition signed by a large number of Wilcox citizens, republicans and democrats alike, asking the board of supervisors and Probate Judge Bradley to choose William Riggs as the new supervisor, was sent to Tombstone last week. A better selection could not be made and the gentlemen are entitled to representation on the board.—Range News.

"One Minute Cough Cure is the best remedy I ever used for coughs and colds. It is unequalled for whooping cough. Children all like it," writes H. N. Williams, Gentryville, Ind. Never fails. It is the only harmless remedy that gives immediate results. Cures coughs, colds, hoarseness, croup, pneumonia, bronchitis and all throat and lung troubles. Its early use prevents consumption. Copper Queen store.

A. H. Wein, T. K. Mitchell and H. S. Wein signed papers Saturday, transferring to the Dragoon Mining company three claims near the Peabody mine, for a consideration of \$10,000. This company, under the efficient management of Mr. Clifford, is shipping large quantities of ore. A power hoist has lately been erected at the mine.—Range News.

"I was nearly dead with dyspepsia, tried doctors, visited mineral springs, and grew worse. I used Kodol Dyspepsia Cure. That cured me." It digests what you eat. Cures indigestion, sour stomach, heartburn and all forms of dyspepsia. Copper Queen store.

Christmas!

CHRISTMAS!

CHRISTMAS!

CHRISTMAS!

There is a holiday aspect about the store now. The Toys, and the counters and tables full of goods, herald the approach of Christmas as surely as if there were no calendars. The toy store is perhaps the most interesting spot, at least to the mind of every little child, and undoubtedly every little child's parent. There are dolls that are almost human, with real hair and eyes that open and close; steam engines that run with a puff! puff! just like big engines; toys that do all sorts of antics by simply winding up; toy guns, swords and equipment for the martial-spirited boy; trains of cars, wagons and all sorts of things to go by pulling or pushing. Nough in his ark never had such animals as you'll find here in make-believe. There's an almost indescribable array of little things, but to the childish heart how big and wonderful. Come and bring the children. Let them drop a letter in Santa Claus' mail box (in the Furniture Wareroom).

FOR MEN

What to give, that's the question. It shouldn't be so hard to decide.

There's Neckwear, not the usual Christmas, hand-painted sort that men thank you for and never wear, but Neckwear in patterns and colorings and shapes, all in good taste. Just a little finer in quality, perhaps.

Suspenders, of silk or satin, some embroidered with fleur de lis and other designs; white kid ends and sterling silver or gold plated buckles, neatly boxed. These are not the usual gift suspenders, but are strictly high grade; \$1.75 to \$3.50.

FANCY VESTS. You're likely not thought of these as a present, but they are none the less acceptable. Men's clothing at its joyest is sombre enough. Fashion now sanctions a touch of color in Fancy Vests; \$4 each.

Tek Fancy Shirts, a suit of Pajamas, a Mackintosh or Umbrella. There's no end of things in our Men's Furnishing Stock that will make appropriate presents for the father, the brother or—

CALENDARS FOR 1900

Pleasant reminders of Time's flight. Dainty, artistic little affairs, tied with silk cord or ribbon; 35 cents to \$1. It's the thought, not the amount, that counts in giving.

STERLING SILVER NOVELTIES

Nail files, paper cutters, seals, blot- ters, ink stands, cuticle knives, hat brushes, whisk brooms, tooth brushes, tooth-brush holders, nail polishers, cold cream jars.

Hair, military, nail, cloth and baby brushes, with ebony backs, mounted with sterling silver.

Ebony, imitation shell and ivory combs mounted with sterling silver and filigree work.

A host of little things, inexpensive, but thoroughly appropriate. It's surprising what a dollar will do in this stock.

CUTLERY AND PLATED WARE

Through a fortunate purchase we are enabled to sell Rogers' A.A. plated spoons at \$2 and \$4 a dozen for the tea and table sizes respectively. We've usually gotten a dollar more a dozen for these.

CARVING SETS

An elaborate five-piece set, pearl handles, with solid silver trimmings, \$28. A good, serviceable set for \$2. Plenty at prices between these extremes. Pocket knives—an assortment that comprises knives for every need. All at the hardware counter.

In Your List of What to Give Have You Included Furniture?

The word Furniture is so apt to suggest cumbersome, expensive pieces that you've probably overlooked the possibilities of furniture in getting you out of the quandary of "what to give." A Morris chair, dressing table, small center table, a rocker, fancy mirror. Is this hint enough?
